Continuous Improvement and Service Excellence

ABOUT US

Operational since 1985, a significant measure of our organization's quality commitment to the 3rd Party Logistics (3PL) industry is our dedication to world-class customer satisfaction. PT Agung Perkasa Raya (APR Logistics) has been a family run business for more than thirty five (35) years. Our founder Joy Tuilan sets out to build renowned logistics company in Indonesia, run by hardworking people who always give the best service to its customers.

Today, APR Logistics has enlarged well beyond that initial vision, both in terms of our services and our physical scope. We have specialized in offering distribution by air, sea, or land trucking in Indonesia, custom clearance services, and other logistical services including

fulfillment, warehousing, or a combination of any of our services.

As our customers enlarge into international markets, APR is there to meet their needs. Therefore, APR is improving and expanding its network offices, channels, and service through maintaining well-trained work force and providing superior services to our customers. We also welcome the opportunity to expand our services based on our customers' needs. APR Logistics' proven experience and process-based approach provides a valuable foundation for its partners. Our extensive knowledge, state-of-the-art systems, and outstanding customer service will provide you and your customers a flawless, successful third party logistics solution.

MISSION

APR aims to build itself as the symbol of excellent customer services and the spirit of the nation through professional business in Logistics Company. To facilitate continuous improvement and increase customer satisfaction by identifying, communicating, training, and promoting the use of quality principles, concepts and technologies, and thereby be recognized throughout Indonesia as a champion for global logistics.

VISION

APR Logistics desire to be one of the leading logistics company in Indonesia that provides the best services to our domestic and international clients.
